ATTENTION - *RETIRED WPB* CERTIFIED MEMBERS

Palm Beach County School Police is looking at instituting a program to help facilitate staffing of the 11 elementary schools in the City of West Palm Beach. They are looking for officers that have recently retired (past 4 years) that are currently certified.

These are part time day shift positions. The shifts are about 7 hours per day. The hourly rate has not been established yet. It could possibly be in the \$30 per hour range.

The purpose of this email is to determine if there is interest in this program from our recently retired officers. If you think you might be interested, please contact Bryan Kummerlen by email at bak993@bellsouth.net or by phone at (561) 779-2202.

Once again, the program is in the early planning stages. If there is interest, more information will be forthcoming.
